To assist the Sustainer Nominating Committee in its selection process, please provide brief responses to the following questions:

Why would the nominee be an excellent candidate for the position they are being nominated for?

What unique skills, qualities or experiences would the person bring to the role?

What other JLD or community roles has the person served in that would position them for success in the role they are being nominated for?

Does the nominee know they are being nominated for this role? If so, do they understand the time commitment and responsibilities?

Anything else you'd like to tell us about the nominee?
